Description:

Review "Amy Grant is a remarkable woman whose contributions to the worlds of faith, charity, and entertainment continue to put her in a class of her own. And in many ways, Amy's wonderful new book, Mosaic, is a lot like Amy herself: it sparkles with energy, brims with love, and is blessed with the same deep and beautiful spirit that I've witnessed so many times when Amy has performed for the kids of St. Jude Children's Research Hospital. How like her to have written a book that truly celebrates the magic and poetry of life."

—MARLO THOMAS, actress and author

“Amy is one of our favorite friends. Her life is as inspiring as her music.”

—BARBARA AND GEORGE BUSH

“Amy Grant is a bouquet of Tennessee spring flowers. Not the floral-shop type with ribbons and a greeting card, but rather the just-picked ones. Fragrant. Radiant. You spotted them in a meadow and couldn’t resist. Now they sit on the table giving fragrance and color. Amy does that as she paints and perfumes our world with her faith, her music, and her words.”

—MAX LUCADO, minister and best-selling author

“Amy Grant is simply one of the most gifted communicators I have ever known. I’ve been on stage with her in front of thousands of people—and I’ve been with her in quiet private moments when she’s offered hope and healing to someone in need. In either situation, and in everything in between, I’ve been moved by her subtle strength and her ability to say the right thing at the right time. In the lyric of a song and now in this book, Amy can turn a phrase like no other. I’m so blessed to know her and so glad that she’s sharing part of her life in these pages.”

—MICHAEL W. SMITH, singer/songwriter

“I know of no one in our field more generous of her time, talent, or resources than Amy. In my experience, one of the major pieces in the mosaic of Amy’s life so far has to be caring about others.”

—BILL GAITHER, artist, writer, and producer

“Amy Grant draws from a well of experience as a daughter, wife, mother, writer, and entertainer. Like all of us, she has had her own personal storms in life; however, her faith has never wavered. Through it all, she has given of herself and her resources to help others, and remains an inspiration to millions.”

—FRANKLIN GRAHAM, president and CEO of the Billy Graham Evangelistic Association and Samaritan’s Purse

About the Author Amy Grant got her start in the music business with a part-time job sweeping up a Nashville music studio, which provided the perfect opportunity to duplicate a tape of her original songs as a gift for her family. A studio executive overheard her recordings—and the rest is music history.

Since the surprising success of her debut album thirty years ago, Amy has grown into a music legend, with six Grammy Awards, twenty-six Dove Awards, and six pop chart-topping hits to her credit. An inductee into the Gospel Music Association Hall of Fame, she also was honored in 2006 with a star on the Hollywood Walk of Fame.

Amy lives in Nashville, Tennessee, with her husband, country music star Vince Gill. She has four children, Matt, Millie, Sarah, and Corrina, and one step-daughter, Jenny.
