### Description:

Former slave, impassioned abolitionist, brilliant writer, newspaper editor and eloquent orator whose speeches fired the abolitionist cause, Frederick Douglass (1818-1895) led an astounding life. Physical abuse, deprivation and tragedy plagued his early years, yet through sheer force of character he was able to overcome these obstacles to become a leading spokesman for his people. In this, the first and most frequently read of his three autobiographies, Douglass provides graphic

descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North and eventual freedom.

Published in 1845 to quell doubts about his origins — since few slaves of that period could write — the *Narrative* is admired today for its extraordinary passion, sensitive and vivid descriptions and storytelling power. It belongs in the library of anyone interested in African-American history and the life of one of the country's most courageous and influential champions of civil rights. A selection of the Common Core State Standards Initiative.
