Essex gives educators and policy makers at all levels practical, easy-to-read, relevant information on the historical and contemporary legal issues affecting the organization and administration of schools in the United States. Virtually every topic of concern to today's educators is covered in a practical, easy-to-read organization and style that's accessible even to those with little or no knowledge of the legal issues affecting public schools. Revised chapters in this

new Sixth Edition include recent rulings on religion in public schools, social media, Facebook and Twitter challenges, virtual charter schools, administrators' authority at bus stops, legal aspects of teachers and administrators' evaluation, teacher performance and misconduct, 504 Rehabilitation plans, the McKinney-Vento Homeless Act, violence and tragedy in U.S. schools, procedures for evaluating and responding to threats, natural disasters and school safety, proposed changes to No Child Left Behind by the White House, use of chaperones for field trips, and new application exercises at the end of each chapter.
