Description:

Batman is confronted with a hidden face from the past — it's the return of the vigilante Red Hood who appears to be Batman's one-time partner Jason Todd, the same Jason Todd that died many years ago. But the Red Hood's violent ways pit him against the Dark Knight in his hunt for the very person responsible for his death: The Joker.

This volume collects Batman #635-641, #645-50 and Batman Annual #25.
