Description:

Review

- *"Loved, loved, loved this book just like all her books!" - Maryann Koopman*
- *"Thanks for helping me understand more about depression." - Joan S. Devlin*

- **"I LOVE THIS BOOK!" - Jennifer Rutgens**

From the Author This final book in my memoir series is - like all of my books - ultimately a tale of survival. Taking control of one's life by taking responsibility for one's actions, rather than relegating blame of mishaps to others, is a formidable task.

Depression is no joke. It's hereditary, can be expressed through a variety of concomitant disorders to mask its existence, rarely just 'goes away,' and can be deadly. If you or anyone you know suffers from this dis-ease, know there is help and hope available.
