**From Library Journal** In the midst of a war between two galactic empires, a shapechanging agent of the Iridans undertakes a clandestine mission to a forbidden planet in search of an intelligent, fugitive machine whose actions could alter the course of the conflict. Banks ( Walking on Glass ) demonstrates a talent for suspense in a new wave sf novel that should appeal to fans of space adventure. For large sf collections. JC

**Review** 'Banks is a phenomenon: the wildly successful, fearlessly creative author of brilliant and disturbing non-genre novels, he's equally at home writing pure science fiction of a peculiarly gnarly energy and elegance' William Gibson 'There is now no British SF writer to whose work I look forward with greater keenness' The Times 'Poetic, humourous, baffling, terrifying, sexy - the books

of Iain M. Banks are all these things and more' NME
