About the Author A native of Louisiana, **Faith Hunter** spent her early years on the bayous and

rivers, learning survival skills and the womanly arts. She liked horses, dogs, fishing and crabbing much better than girly skills. She still does.

In grade school, she fell in love with fantasy and science fiction, reading five books a week and wishing she could "write that great stuff." Faith now shares her life with her Renaissance Man and their dogs in a Enclave of their own.
