Description:

Review Except for the scriptures, this is the most inspirational book I have ever read. --*Von Mitton*

From the Back Cover Except for the scriptures, this is the most inspirational book I have ever read. It gave a profound understanding of what the scriptures are really talking about. I am specifically excited about learning about the rebirth, baptism of fire, coming to know Christ, and what it means to see him. --*Von Mitton, Hyrum, Utah*

All my life I thought attaining these blessing was beyond my abilities. It seemed to me as if only the most valiant of Father's children could ever attain a Celestial reward, and I was never sure that

included me. After reading this book, I was amazed at how easy it actually is. Suddenly, I know I can do it. --Dorothy Dory, Houston, Texas

What an asset this book can be to those searching for happiness. The book teaches how to recognize the prompting of the Holy Ghost and how to draw close to the Savior. I can truly see now, after reading this profound book, that Zion, the dwelling place of those who are pure in heart, could quickly be established, if all would read and apply its teachings. -- Carolyn Park, Bluffdale, Utah

At the time I read your book, my husband was dying of cancer. I was devastated, and did not know how I could live without him. This is the most beautiful book I have ever read. It is what I have been searching for all my life. In my heart I knew Heavenly Father would not leave me alone, and now I know how. This book has been a powerful blessing in my life. Now I have daily revelation, now I am no longer alone. --Cohleen Watson, Provo, Utah

When I read your book, and the descriptions of the blessings that come to a person because of the rebirth, I thought you were exaggerating to make people want to do it. I have spent several months diligently applying the principles, and basking in the rewards of obedience. It fills me with great joy to know that you were not exaggerating, you were actually understating the blessings that come to the faithful. I know now that if you had fully described what glorious blessings await us, no one would have believed you. --Shayne Holmes, Wasilla, Alaska --This text refers to the edition.
