Bringing interactivity to readers' fingertips

Health: The Basics, MasteringHealth Edition focuses health coverage on real-world topics that have the greatest impact on readers' lives, keeping individuals hooked on learning and living well. Along with dynamic new interactive content and media, this book retains its hallmarks of currency, accessibility, cutting-edge research, focus on behavior change, attractive design, imaginative art, and unique mini-chapters.

The **Twelfth Edition** addresses readers' diverse needs and learning styles by tightly weaving online assignable activities into the narrative in the text. Every chapter includes Learning Outcomes and a new study plan that ties directly into MasteringHealth activities. Assignable self-assessments and reading quizzes help instructors engage individuals in the material.

Also Available with MasteringHealth

This title is also available with MasteringHealth—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Interactive, self-paced tutorials provide individualized coaching to help students stay on track. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts.
