#### Description:

**From the Back Cover** A pet's diet determines its health and life expectancy more than any other care. *Home-Prepared Dog and Cat Diets* is a first-of-its-kind nutrition and dietetics book. It offers owners and breeders a wholesome alternative to commercial pet food and provides veterinarians with a unique reference for counseling clients. Written in clear, easy-to-understand language, this comprehensive reference includes the following:

- Over 200 computer-balanced recipes to provide complete nutrition for healthy or diseased animals
- Nutrient content data for each recipe, including proteins, fats, and calories
- Nutritional guidance and descriptions of special diets
- Recipe categories for management of obesity and diseases that affect the gastrointestinal system, skin, kidneys, heart, liver and pancreas
- Invaluable food quality and safety information
