Description:

Review "Watching a warrior choose a woman over his brotherhood is definitely addictive, and for me, I Dream of Danger was a gateway drug." (New York Times bestselling author Eloisa James/B&N.com Review)

About the Author

Lisa Marie Rice is eternally 30 years old and will never age. She is tall and willowy and beautiful. Men drop at her feet like ripe pears. She has won every major book prize in the world. She is a black belt with advanced degrees in archaeology, nuclear physics, and Tibetan literature. She is a concert pianist. Did I mention her Nobel Prize? Of course, Lisa Marie Rice is a virtual woman who exists only

at the keyboard when writing erotic romance. She disappears when the monitor winks off.
