Description:

From School Library Journal PreS-This is a sweet book, good for a lap-time cuddle. It reads as an affirmation that the child will be loved, from top to bottom, when happy or sad. The text also introduces opposites as in "I love you.../silent/and talking." There's no real story here, simply comfort in the rhythm and rhyme of the words as they build to the satisfying conclusion: "I love you/through and through.../yesterday, today,/and tomorrow, too." The book is printed on stiff pages, good for toddlers to flip through or to withstand a baby's drool. Dynamic illustrations feature the child and his sidekick teddy bear. As a team they act out the text in ways that are informative, inventive, and humorous. The colored pages are subtly patterned, providing a decorative yet unobtrusive backdrop to the simple and focused drawings. Basic, low-key, eye-catching, and smooth.-*Martha Topol, Traverse Area District Library, Traverse City, MI*
