Description:

At twenty-two years old, Sydney is enjoying a great life: She's in college, working a steady job, in love with her wonderful boyfriend, Hunter, and rooming with her best friend, Tori. But everything changes when she discovers that Hunter is cheating on her--and she's forced to decide what her next move should be.

Soon, Sydney finds herself captivated by her mysterious and attractive neighbor, Ridge. She can't take her eyes off him or stop listening to the passionate way he plays his guitar every evening out on his balcony. And there's something about Sydney that Ridge can't ignore, either. They soon find themselves needing each other in more ways than one.

A passionate tale of friendship, betrayal, and romance, *Maybe Someday* will immerse readers in Sydney's tumultuous world from the very first page.

Original music created for *Maybe Someday* by musician Griffin Peterson can be accessed through the website listed in the ebook and paperback.
