Description:

About the Author In the beginning Katharine Eliska Kimbriel was nominated for the John W. Campbell Award for Best New SF/Fantasy Writer. Katharine's work has long straddled the line: "too literary to be commercial, too commercial to be literary" - she has a list of itinerant occupations to prove it.

Published novels include the historical dark fantasies NIGHT CALLS and KINDRED RITES. On the science fiction side you will find FIRE SANCTUARY, FIRES OF NUALA, and HIDDEN FIRES, stand-alone tales which take place on the same planet.

Katharine is managed by a Burmese cat and a handful of gargoyles. Her occasional hobbies have included ballroom dancing, brewing beer, antique roses and macrobiotic cooking.

Go to her web site for the most recent info; she posts at her Live Journal blog (Alfreda89) which runs downhill to Facebook, My Space and other points east. She is a member of Book View Cafe, and books and info may also be found there.
