### Description:

#### Review

CRAZIEST GADGETS.COM

The book knows all, so if it's asking you about Luke, Leia, and Han Solo, don't go trying to pull a Cliff Clavin with Who are three people who have never been in my kitchen? because the scoring module is like a mini-Yoda. This would make a great gift for any obsessed Star Wars fan.

**About the Author** Benjamin Harper has published more than 25 titles, including three previous Star Wars trivia books. He is a former editor at Lucas Licensing.
