Description:

From Publishers Weekly The Fabulous Book of Paper Dolls by Julie Collings comes with six paper dolls (with an array of skin tones), a massive mix-'n'-match wardrobe and accessories. The spiral-bound book also contains backdrop scenes for the dolls and a pull-out armoire to tuck away the natty duds. Hairstyles are interchangeable; a guide to drawing faces is included, too. The clothes stay on with "reusable glue dots" instead of old-fashioned tabs and the clothes are printed on both sides.
