Description:

For courses in Introductory Sociology

A down-to-earth approach to sociology

Sociology: A Down-to-Earth Approach highlights the sociology of everyday life and its relevance to students' lives. Throughout the text, author James Henslin shares the excitement of sociology through his acclaimed down-to-earth approach and personal writing style. Six central themes help

stimulate students' sociological imaginations: a down-to-earth approach, globalization, cultural diversity, critical thinking, the new technology, and the influence of the mass media on our lives. The **Thirteenth Edition** has been extensively revised to include contemporary examples and fresh topics that bring sociology to life.

Also available with MySocLab®

MySocLab for the Introductory Sociology course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MySocLab does not include an eText.

Sociology: A Down-to-Earth Approach, Thirteenth Edition is also available via **REVEL™**, an interactive learning environment that enables students to read, practice, and study in one continuous experience.

Note: You are purchasing a standalone product; MyLab™ & Mastering™ does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
