Description:

About the Author

Dr. Katherine Albrecht is the founder and director of CASPIAN, an international consumer group. Dubbed the "Erin Brockovich" of RFID by *Wired* magazine, she is one of the leading voices for privacy in today's fast-changing, high-tech world. Katherine holds a doctorate in education from Harvard University.

Liz McIntyre is an award-winning investigative writer with a flair for exposing corporate shenanigans and bureaucratic misdeeds. She serves as CASPIAN's communications director and has been the master strategist for many of the organization's most successful media campaigns.
