Description:

Review "... a hang onto your seat, laugh out loud, emotional roller-coaster across the Pacific Ocean. Torre is an example to every human who's ever had a dream, showing us time and again that adventures can be had (and enjoyed) by even the most fearful of adventurers." --Danny Bent, Author of *You've gone too far this time, Sir!*

"... a story about love between two people ... and realizing that you are capable of doing so much more than you ever believed you could. All you need to do is cast off the lines that tie you to shore and set yourself free to try." --Dave Dean of whatsdavedoing.com

"An armchair voyage [with] all the perfect ingredients for a sweet love story, above and beyond the adventure of it all." --Tania Aebi, Author of *Maiden Voyage* and the First American Woman and Youngest Person to Sail Around the World Alone

"A book I wish I had published ... a story of finding courage when your gut clenches and all you want to do is go home." --Normandie Ward Fischer, Executive Editor at Wayside Press

"... a vivid and accurate picture of what life is really like for a reluctant sailor on a big ocean in a small boat ... I found myself laughing out loud as often as I was turning the page to find out what happens next." --Nick O'Kelly, Author of *Get Her On Board: Secrets to Sharing the Cruising Dream*

From the Back Cover *"There's a hole in our boat!" I yell.*

An idea comes to me. I poke my finger into the hole, plugging the squirting artery. "Okay, now what?"

"Um ... Would you like me to put my finger in there?" Ivan offers.

"But that's not a solution, is it? We're in the middle of the Pacific Ocean! We can't just keep fingering the hole until we reach land."

"Good point."

"So?"

"Duct tape?"
