**Description:**

**From Publishers Weekly** Books on prayer are legion, most often focusing on why we should pray and how to do it correctly. DeStefano, author of *A Travel Guide to Heaven*, offers readers a refreshing look at this evergreen topic by focusing on 10 prayers God "always" answers. "Why don't people take advantage of prayers that work? One big reason is that they are so caught up in prayers that *don't* always work," says DeStefano. He offers readers this guarantee: "before you even get to the last page of this book, your life will begin to change before your eyes." Prayers include "God,

show me that you exist," "God, forgive me," "God, give me courage" and "God, lead me to my destiny." DeStefano uses the Christian Bible as the foundation for his work, not offering quick fixes but instead expounding on the need for true repentance, right motives and genuine commitment. More conservative camps will most likely cluck at what they see as DeStefano's lack of firmness about salvation as a prerequisite to both heard and answered prayer, but a careful reading shows that the author understands faith, not selfishness, is the foundation for these prayers. His cheerful style and heartfelt faith make this an optimistic look at a timeless subject. (May)

### **Review** Advance Praise for *Ten Prayers God Always Says Yes To*

"Why are some of our prayers answered while some are not? How do we get God's attention? How do we get the divine 'Yes'? In a simple, straightforward style, Anthony DeStefano takes on the mysteries of prayer. He casts a wide net to appeal to all Christians everywhere without compromising the gospel one iota. The title alone, ***Ten Prayers God Always Says Yes To***, will attract even people who aren't believers but who cry out for help in the night. For them, the first prayer: 'God, show me that you exist' can be a life-changer. But don't stop there. Read it all. It could revolutionize your prayer life."

"Polls tell us that most Americans believe in prayer. However, most admit they don't spend much time praying, nor do they think it is very productive. This remarkable book can make a difference for anyone who wants to pray with results. Anthony DeStefano shares insights on prayer that are practical, workable, and attainable. Everyone can profit from reading this book!"

Dr. Paul Cedar  
Chairman, CEO, Mission America Coalition

"Do we really need another book on prayer? We certainly need this one! ***Ten Prayers God Always Says Yes To*** is remarkably different and refreshingly direct. It takes the reader straight to the heart of the issue of answered prayer and leaves him or her there wanting more—of God, of course. This book will go on my shelf beside the great classics on prayer."

Dr. Dick Eastman  
President, Every Home for Christ  
President of America's National Prayer Committee

"Anthony DeStefano has once again drawn his readers into the mystery of God's love and invited us to reflect more deeply on our relationship with Him. In a simple yet profound way, ***Ten Prayers God Always Says Yes To*** offers insights, and indeed a practical wisdom, that will resonate with anyone who has ever struggled with personal prayer. I recommend this book to any and all who are searching for a fresh perspective on the meaning and value of a life of prayer, and, ultimately, for a more fulsome encounter with the Living God."
