Description:

From Aristotle and Thomas Aquinas, to Adam Smith and John Maynard Keynes, to the top economic thought leaders of today, *The Economics Book* is the essential reference for students and anyone else with an interest in how economies work.

Easy-to-follow graphics, succinct quotations, and thoroughly accessible text throw light on the applications of economics, making them relatable through everyday examples and concerns.

Employing DK's trademark visual approach, *The Economics Book* takes a frequently confusing subject and makes sense of it, clearly highlighting both historically important and emerging ideas in this critical field of science.
