Description:

Angel is her name but an angel she is not. The life she chose as a high priced escort brings her lavish gifts, 5 star hotels and treatments and luxurious getaways. These things bring her happiness but there's one thing that's missing and it's not LOVE. Enter Corbin...a handsome, married, corporate man who seeks a female companion to listen to his woes. One thing leads to another and he will soon wish he had kept his hands to himself. Angel refuses to let him leave her alone because he is the one man that has given her life...the ultimate orgasm and she will go to great lengths to keep her body pleased.
