## **Description:**

**Review** For those of us who, like the authors, have been exposed mostly to the secular accounts of this period of American history, the information presented becomes a revelation of very great magnitude. ... This book is important. I would that every professing Christian read Gods Holy Bible and this book. There are, of a surety, better and more comprehensive histories than this, but I would recommend none more highly to introduce the student to our Christian American roots as pertains to our beginnings on these shores. -- *Christian Forum Book Review*

Gives us new appreciation and inspiration to fulfill Gods plan for us as a nation. -- *Bill Bright*

Reveals our true national heritage and inspires us to stay on Gods course as a nation. -- *Tim LaHaye*

**About the Author** Peter Marshall is a writer, historian, Presbyterian minister, teacher, and popular

conference speaker. David Manuel is an editor and the best-selling author of more than twenty books. They are coauthors of *The Light and the Glory* and *From Sea to Shining Sea*. --This text refers to the edition.
