Description:

The PowerScore LSAT Logical Reasoning Bible is the most comprehensive book available for the Logic Reasoning section of the LSAT. This book will provide you with an advanced system for attacking any Logical Reasoning question that you may encounter on the LSAT. The concepts presented in the *Logical Reasoning Bible* are representative of the techniques covered in PowerScore's live courses and have been consistently proven effective for thousands of our students. The book features and explains a detailed methodology for attacking all aspects of Logic Reasoning

problems, including recognizing question types, identifying common reasoning elements and determining their validity, the methods for efficiently and accurately making inferences, and techniques for quickly eliminating answer choices as you solve the questions. Entire chapters are devoted to every currently-tested question type, to section strategy and time management, and to even the most challenging reasoning concepts presented, such as Formal Logic, Conditional Reasoning, and Causality.

Another title from PowerScore's Best Selling Standardized Test Preparation Bible Series.

The following Logical Reasoning question types are covered in detail:

Must Be True Questions
Main Point Questions
Weaken Questions
Strengthen Questions
Justify the Conclusion Questions
Assumption Questions
Resolve the Paradox Questions
Method of Reasoning Questions
Flaw in the Reasoning Questions
Parallel Reasoning Questions
Evaluate the Argument Questions
Cannot Be True Questions
Point at Issue Questions
Principle Questions

In addition, the Logical Reasoning Bible features over 100 real LSAT Logical Reasoning questions that are used to illustrate and reinforce our techniques. This includes examples for each of the question types referenced above. The two Logical Reasoning sections on the LSAT represent approximately 50% of your final score and are frequently considered to be the most challenging aspect of the test. However, once you understand how to efficiently approach each question type and deconstruct the reasoning presented, the solution to each question can be quickly discovered. Through step-by-step analysis of every reasoning idea that you will encounter, detailed explanations for every answer choice, and extensive drills to enforce every major concept, this book will teach you how to correctly solve even the most complicated Logical Reasoning problems.

The Logical Reasoning Bible is also supplemented by a unique website that provides additional materials to complement the book and answer frequently asked student questions.
