Description:

Even monster-battling princesses get tired sometimes! But a peaceful time away is hard to find as the humorous *New York Times* best-selling series continues.

After battling monsters all night, a sleepy Princess in Black decides that she needs a vacation. After all, the Goat Avenger, a new hero who looks oddly familiar, has offered to protect the goats while she takes a much needed break. The very next day Princess Magnolia rides her bicycle to the

seaside, where the air is salty, the sun is shiny, and the sea is as blue as monster fur. But just as Princess Magnolia is about to take a nap on her hammock, she hears a "ROAR!" Seriously? A monster? On the perfect beach? Impossible! Could a sea monster *really* ruin this vacation for the Princess in Black?
