Description:

Review "The combination of time travel, magic, and love makes Timeless an unforgettable page turner!"

-For Those About to Read

"Timeless had great twists, particularly towards the end. For something inspired by a Taylor Swift song, Michelle has really come up with a great series!"

-Addiction to Words Reviews

"The Transcend Time Saga is a worthy rival of modern fairy-tales. It has that essence of magic and spark to it that captivates you!"

-Becky's Barmy Book Blog

"Just when I think I know what to expect, Michelle throws me a curveball! It was spectacular. And marvelous. And a little bit daring, which is what makes Timeless stand out so much!"

-Sparkles and Lightning

About the Author Michelle Madow was inspired to write Remembrance after seeing Taylor Swift's "Love Story" music video while a junior at Rollins College in Winter Park, FL. The song and video gave her the story idea about a high school girl reincarnated from Regency Era, England. She handed in the first chapter as a homework assignment for class, and when her teacher and classmates wanted her to continue writing, she decided to go for it. By the end of the school year, her first novel was completed!

Michelle graduated from the Park School of Baltimore in 2005, where she always took two English classes each semester. She graduated from Rollins College in 2010, cum laude with a Bachelor of Arts in English. At Rollins she was a member of the National Society of Collegiate Scholars, and a member of the International English Honor Society Sigma Tau Delta.

She received the Charles Hyde Pratt Award for Excellence in Creative Writing in 2010.
