Description:

This exciting sticker collection invites you to create a parade of old-time trains that span 60 years of railroad history. Included are 16 sticker portraits of freight and cattle cars, an old-fashioned steam locomotive, passenger cars, a caboose from 1900, and a diesel-electric locomotive as well as a chemical tanks car, a flat car, a streamlined Vista-Dome passenger car, and more.

Use these stickers one at a time or line them up to create a special train of your own. *Train Stickers* are perfect for adding eye-catching interest to school projects, lunch boxes, notebooks, windows, walls, children's furniture, and many other flat surfaces.
