#### Description:

**Review** "Although there's plenty of excitement in this plot, Krueger is moving deeper into psychological territory with each book in this series."

(*St. Paul Pioneer Press*)

"While the murder mystery is an essential element of the novel, more important is the look at the relationships of the various characters, to each other and to the locale."

(*Midwest Book Review*)

"Krueger has crafted a strong and memorable series that never fails to surpass itself with each

installment. *Trickster's Point* continues that tradition, containing some of Krueger's best prose to date in what is perhaps his strongest, most intriguing novel yet."

*(Book Reporter)*

"Unlike many series, Cork and company age and evolve with each book. Time does not stand still and we share in the triumphs and tragedies of Cork. We watch his children grow up and, in some cases, move away. That constant change makes these novels all the more compelling."

*(Crimespree Magazine)*

"Mystery fans can count on William Kent Krueger for an absorbing book with lots of twists and turns. He's an author who isn't afraid to take chances with his characters."

*(Denver Post)*

"An absorbing plot and a rewarding read."

*(Minneapolis Star Tribune)*

"You might place Cork O'Connor, of this very accomplished series, halfway between Jesse Stone (not that warm) and Jack Reacher (not that hard)—and even add a dash of Douglas Corleone's wise-guy Corvelli."

*(Sullivan County Democrat (New York))*

**About the Author** William Kent Krueger is the award-winning author of thirteen novels in the Cork O'Connor mystery series, including *Trickster's Point* and *Tamarack County*. He lives in the Twin Cities with his family. Visit his website at [WilliamKentKrueger.com](http://WilliamKentKrueger.com).
