From the same author and illustrator as the #1 nationally best-selling *What Do You Do With an Idea?* comes a new book to encourage you to look closely at problems and discover the possibilities they can hold.

This is the story of a persistent problem and the child who isn't so sure what to make of it. The longer the problem is avoided, the bigger it seems to get. But when the child finally musters up the courage to face it, the problem turns out to be something quite different than it appeared.
