From the Publisher Greg Lang's Why A Daughter Needs A Dad is on its way to becoming the

hottest Father's Day book of the year. By combining 100 reasons why a daughter needs a dad with over 40 original, breathtaking photos that depict the depth of the relationship, Greg Lang has forever inscribed the emotions of the bond between father and daughter in this timeless keepsake that will be cherished by father and daughter alike. A strong indication of the book's success is that I am posting this one week after the book was released, and in that first week, we have sold 15,000 copies. -Special Sales Manager
