**From debut author Matt Tomerlin comes a brutal tale of revenge set during the Golden Age of Piracy.**

Katherine Lindsay, the pampered young wife of a wealthy ship captain, has left her leisurely life in London to accompany her husband to America. So far, their journey has been uneventful, even boring. But when ruthless pirates suddenly storm on board to plunder her husband's riches, Katherine is one of the treasures they steal, sparking a bloody chain of events that will change the Caribbean forever. Pirate lovers will find no shortage of treachery, cutlass duels, ship-to-ship battles, buried treasure and much, much more.
