Description:

Award-winning author/illustrator Jeffrey Brown returns for the third installation of the NY Times Bestseller Star Wars: Jedi Academy!

It's hard to believe this is Roan's last year at Jedi Academy. He's been busier than ever learning to fly (and wash) starships, swimming in the Lake Country on Naboo, studying for the Jedi obstacle course

exam, and tracking down dozens of vorpak clones--don't ask. But now, someone is setting him up to get in trouble with everyone at school, including Yoda. If he doesn't find out who it is, and fast, he may get kicked out of school! Why can't middle school just be easy. . .

This incredible, original story captures all of the humor, awkwardness, fun, and frustrations of middle school--all told through one boy's comics, journal entries, letters, sketches, e-mails, and more.
